The campus of Arkansas State University is SHINING BRIGHTER in many aspects. The ASU Physical Plant works hard to keep the campus clean and beautiful year round. Also, with plans well under way for a new Convocations Center and other campus improvements in the works, it is apparent that the campus of A-State will continue to shine.

Shown here are four well-known buildings on this campus; the New Pavilion, the Communications Building, the Education Building and those ever-present painted windows of University Hall.

OUR TOWN

PUTTIN' ON THE RITZ

What do Calvin Klein, Yves St. Laurent, Lee's, Jordache, Christian Dior, and Ralph Lauren have in common? Right!! They are all fashion labels that can be found on the campus of ASU.

All types of fashion, from punk to preppy, can be found on campus. There are also a few students that dress in their native country attire. But, preppy styles, reminiscent of the 50's, are by far the most popular on campus. This type of dress has been on college campuses for years, but always remains in style. It is a happy medium between totally casual and classic. Sweaters have been really popular with both men and women this year. Women add a skirt of matching or contrasting colors and accent with jewelry. The most popular jewelry is the gold chain and beads. To finish off her attire, a woman may add colored hose or socks and loafer type shoes. For men, they add slacks or designer jeans to their sweaters, which are most often worn over a button down shirt. Some men prefer socks that match either their shirt or sweater, while others prefer to go "sockless". For men, the most popular shoes are loafers or Topsiders.

ASU's fashion is SHINING BRIGHTER!

LET'S GET PHYSICAL

Sports play an important role at ASU and both the men and women's athletic programs are SHINING BRIGHTER.

The actual win-lose records of the teams at ASU are very deceiving at times. Actually, ASU produces teams that are far better than the final record shows.

Of course, there are other ways of "getting physical" at ASU. For instance, our cheerleaders get very "physical" when performing at games and Pep Rallies.

THE SOUND OF MUSIC

Music at ASU is SHINING BRIGHTER in the lives of its students. The musical tastes of the students are wide and varied. Some of the more outstanding artists that ASU students really enjoy, include, Lionel Richie, Michael Jackson, Van Halen, Pink Floyd, Kenny Rogers, Ronnie Milsap, Def Leopard, Air Supply and Loverboy.

ASU's Union Board sponsored a concert in the fall semester that featured THE BARKAYS and THE CRIME. ASU was also fortunate enough to get THE BREAKS, a hot new group from Memphis that is currently making its nation-wide debut, for a Dance-Concert at the New Pavilion.

Thanks to the contrast in students musical tastes, the music heard on the campus of ASU is always SHINING BRIGHTER.

LIFE AT HOME . . .

"WHO CAN IT BE NOW? ? ?"

... AWAY FROM HOME

Coming to school at ASU usually means moving away from home and into a dorm room or apartment. Either place has its own set of advantages and disadvantages.

Dorm life is an experience most people never forget. It is a great place to live if you want to make a lot of new friends, or enemies, whatever the case may be. Also, in the dorm you pay all your bills at one time, which proves very helpful if you tend to forget little things like paying your bills! But then there are disadvantages to dorm life. For one, no loud parties and intervisitation is enforced. This is not to mention having to eat in the cafeteria or better yet, going out to eat every night. Plus, how many people really enjoy sharing a bathroom and shower with total strangers, especially a whole wing of them!

So, if dorm life is not for you, try an apartment. Apartments are fun! You can have members of the opposite sex over anytime, you can cook your own meals and if you are lucky, you will share your bath with one or two roommates at the max. But oh, then come those monthly bills. You have to pay electricity, gas, water and sewer, phone, cable tv with cable extra, M-TV and HBO and Cinemax for sure. Not to mention your rent or grocery bill, after all, you have to have food to eat for all the people who come to visit at all hours of the night.

Then there are those that are sensible enough and who live close enough to commute. These people choose to live at home with Mom and Dad, and let them worry about all the bills and stuff.

Wherever you have chosen to live, enjoy it! It is your home ... away from home.

"BOOGIE NIGHTS"

Whether it's just gathering at someone's apartment to watch football on a Monday night or a HBO movie, or a party to celebrate something, ASU students have a great time when they come together to party, and these parties don't always include liquor, although many do. Some are just a few friends getting together to socialize or play a few hands of cards. Whatever type of party you enjoy, it can be found around the ASU Campus.

LET'S DANCE!

Whether it is in State Hall or at the Pavilion, ASU students can be found dancing almost every night of the week. A dance at any place on campus is a great way to relax and unwind after a long day of class and/or work.
Let's Dance!!

WE'RE SHINING BRIGHTER ACTIVELY

Campus life at ASU is more active now than ever. There are numerous dances held each semester at the pavilion and in State Hall. Parties, of all types, occur frequently on and around campus. You can always find someone to go eat with, see a show or just mess around. Dorm life and Apartment life always prove very interesting. ASU students are leading social lives that are - "Shining Brighter . . . Actively."

PAYING THOSE FEES . . .

Thanks to the efforts of both the Administration and Registrars office, there wasn't the usual hassle of pulling cards this year to register. Instead, ASU students went to the computers to register. This method a registration proved to be much more efficient and a whole lot easier. Thank goodness, it helped rid ASU students of some long "line standing". But . . . those lines to pay fees sure were tough. Oh well, give the administration some time and I am sure they will come up with something better.

HOLLY'S BOOK BUS

Most ASU students are familiar with the old yellow school bus that sits at the corner of Caraway and Johnson.

The bus is known as "The Book Bus" and sells used books to ASU students. The bus is owned by Holly Anderson, who also buys books for students to resale through his bus.

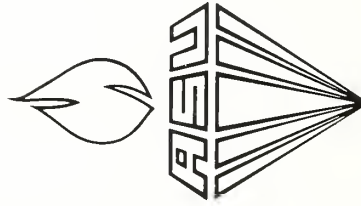

Holly is a delightful man to talk with, so stop buy and have a chat with him sometime.

Thank you Holly for your service to ASU students.

. . . AT ASU

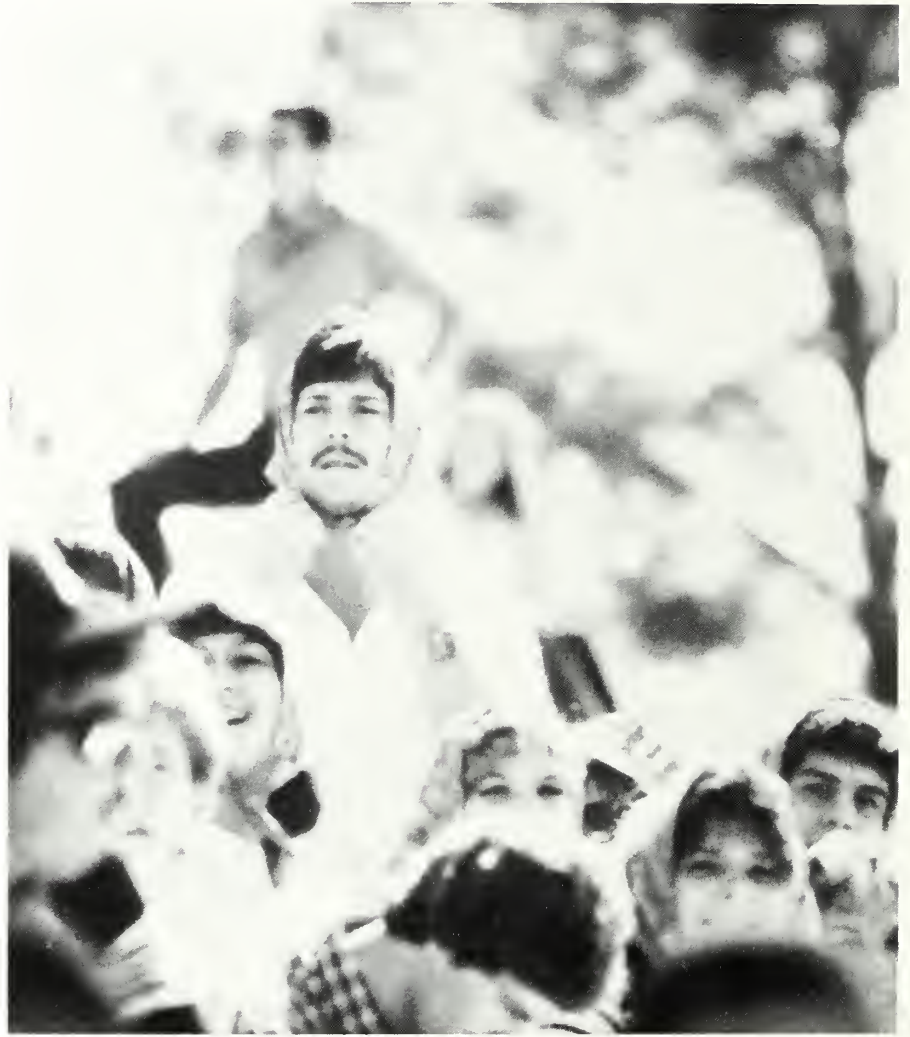

ASU FAN-ATICS . . .

ASU fans can be found most anywhere in this part of the state and when they turn out for an ASU sports event, they add color and excitement to the crowds.

ASU's men's basketball team has its very own form of defense in the form of some very dedicated hecklers, Marvin's Mad Dogs. These guys sit behind the bench of the opponents and cause quite a stir on the opposing bench.

The cheerleaders do a fine job in getting the crowds involved and in getting the spirit going full speed ahead.

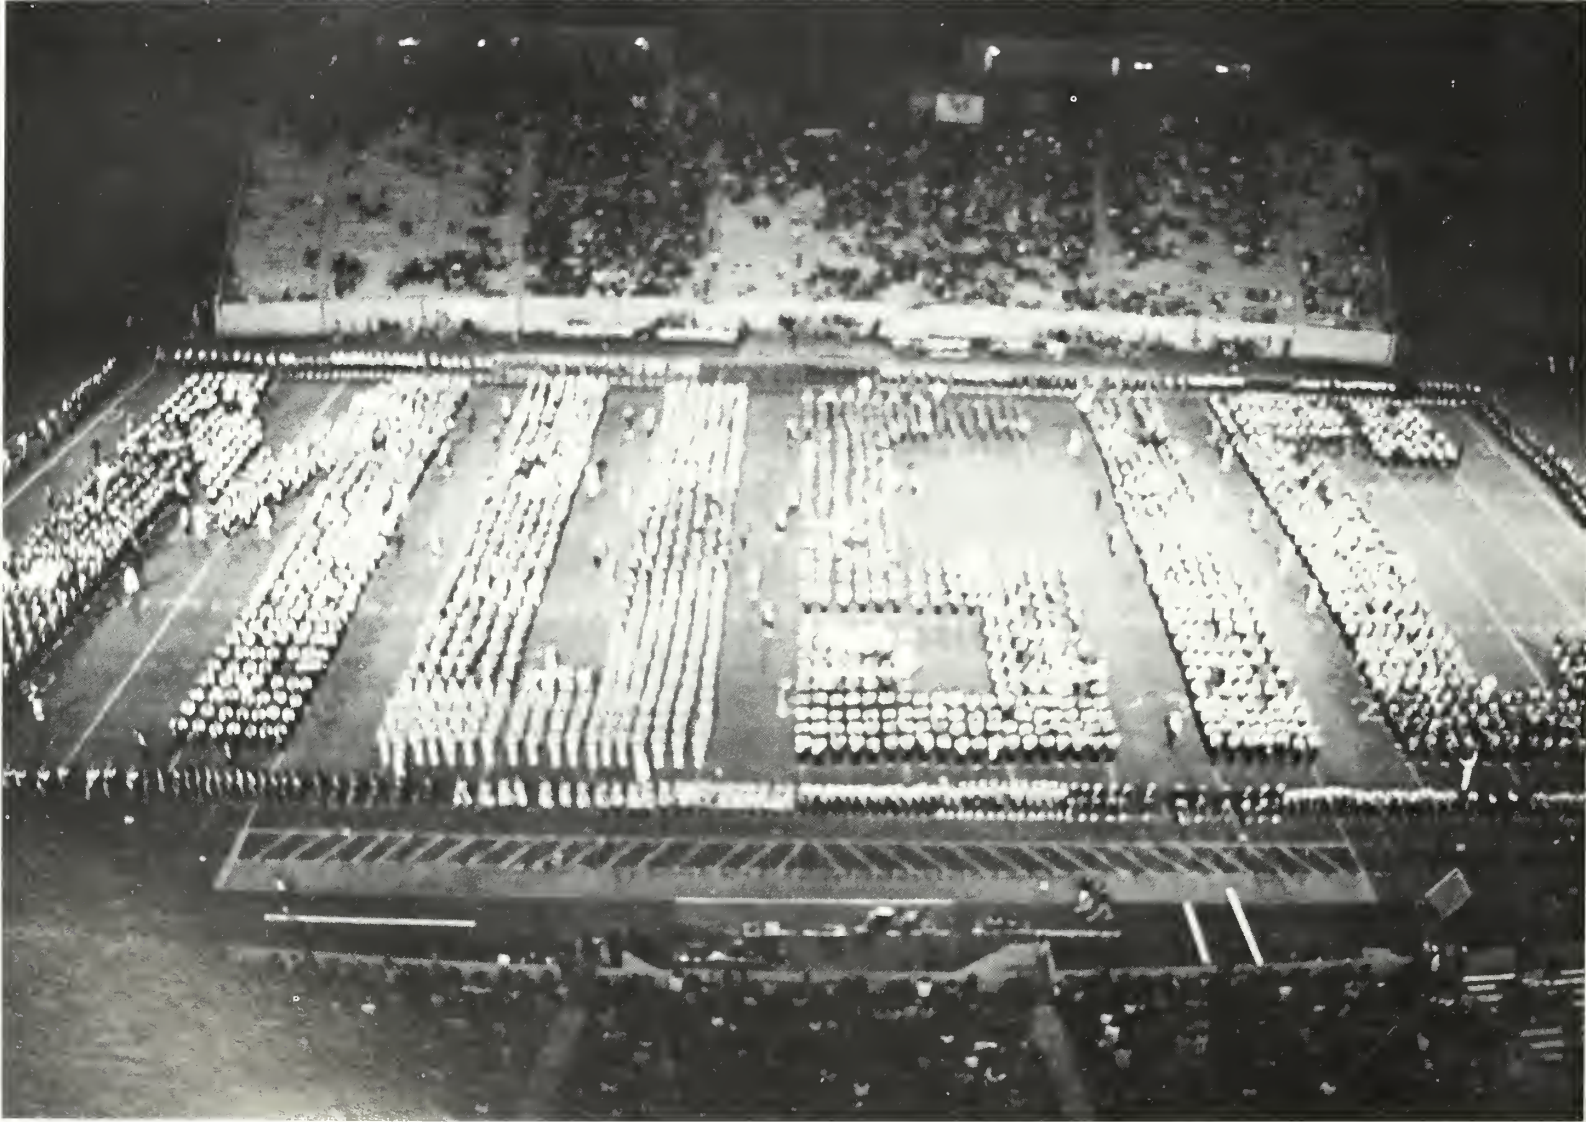

Get involved in the ASU sports scene and help "ignite" some of that good old Indian Spirit.

... IGNITE SPIRIT!

BAND DAY 1983

The ASU Marching Indians work hard to bring excellent halftime entertainment to Indian Stadium. In addition to the halftime show, the Band sits in the stands and plays and cheers. The Band also plays at various other times throughout the year. ASU students and faculty should be proud to have such an enthusiastic and talented band.

BAND DAY 1983

Each year the ASU Marching Indians Band sponsors Band Day. Band Day is a full day of fun and competition for area high school bands. The day is always climaxed with an outstanding, and usually unique, halftime performance by the Marching Indians and all the participating bands and with the announcement of the competitions winners.

CHEERLEADERS

TOTALLY AWESOME

The '83-'84 Cheerleading squad included; Tommy John Kennett, Capt. Penny Dawson, Co-Capt., Bill Grogan, Angela Burris, Jack Bell, Cheril Kerby, Jeff Owens, Allison Nalley, Steve Bowen, Andy Tanner, Mike Williams, Donna Colburn.

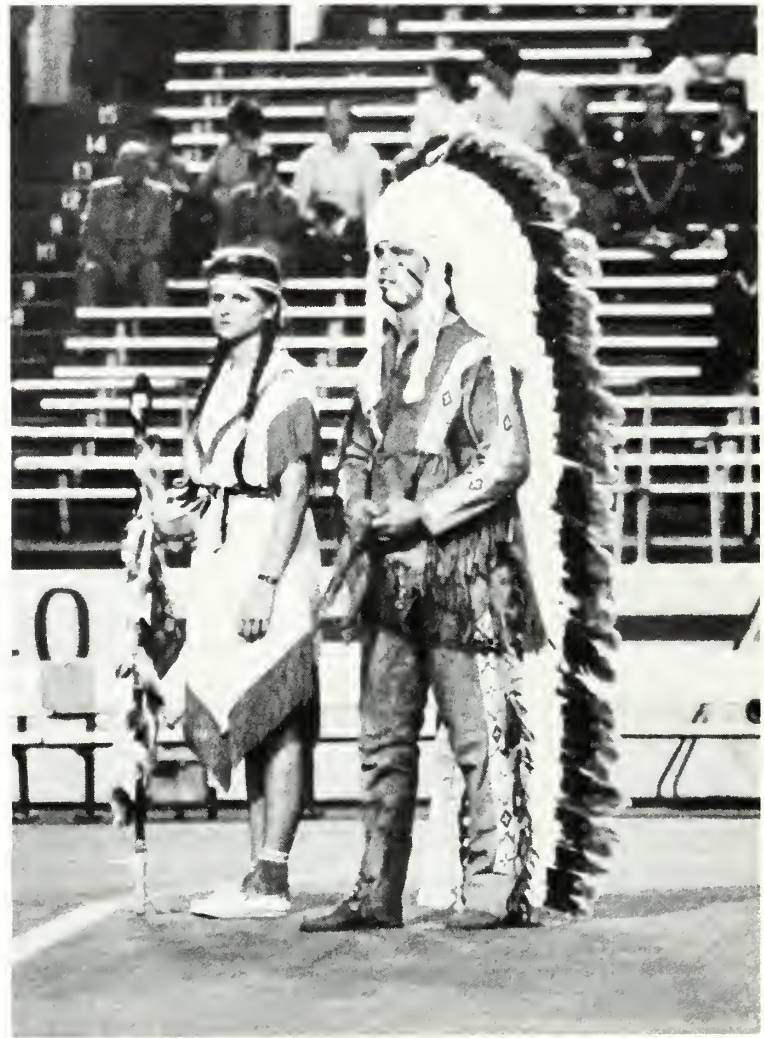

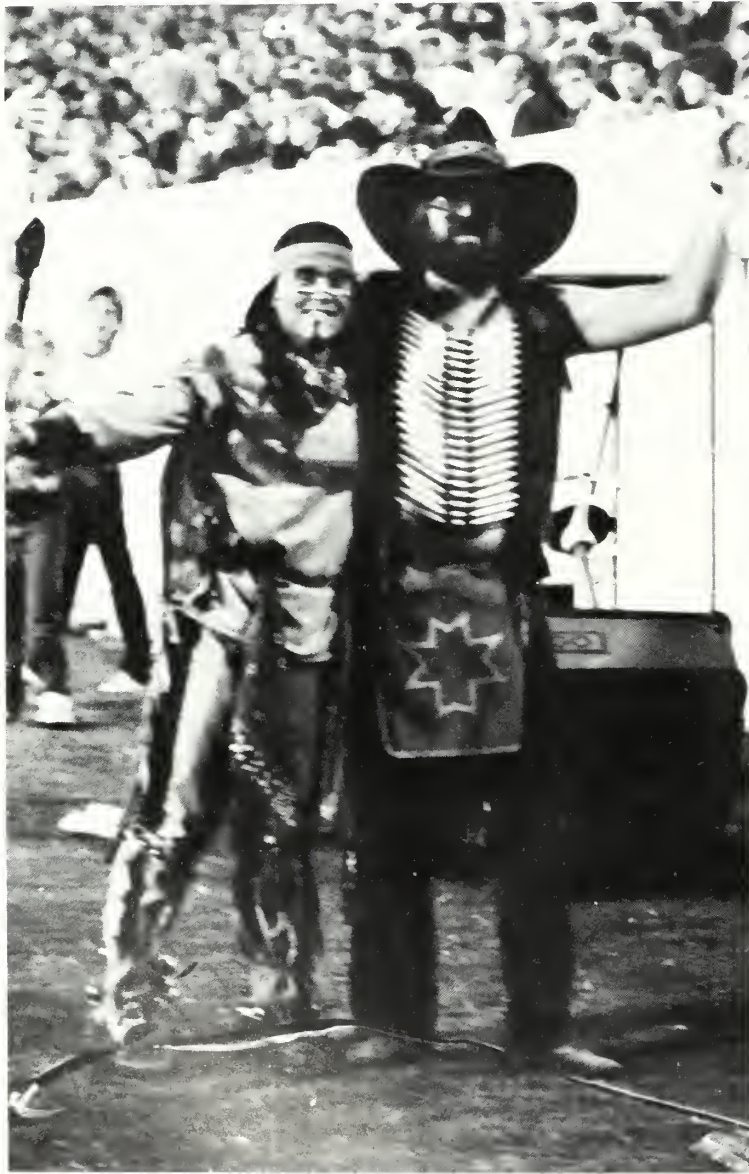

The ASU INDIAN cheerleaders are like, totally awesome! They attend every home game and several of the away games each year to lead ASU fans in cheers for those INDIANS. ASU is lucky to have such a fine group of cheerleaders, they are talented, enthusiastic and above all they are devoted to their work. The bad thing is that they receive very little help and encouragement from the crowds, as a matter of fact, some refuse to even admit that they are worthwhile. But, this never stops the mighty INDIAN cheerleaders. They keep their heads up and give 110%. They work out several times each week to polish up on their cheers and many times they spend months working up and perfecting a routine to present at halftime. These people work hard and deserve our attention. So take the time to watch the ASU cheerleaders, they are a vital part of our athletics at ASU.

INDIAN FAMILY

CONTINUES TRADITION

The tradition of the Indian Family is not new at Arkansas State, it has been around since 1958 and has improved every year since. The Indian Family consisted of Holly McCall as the Indian Maiden, Wally Jackson as the Brave and Bruce Beck as Chief Big Track. Wally is in his second year as the Brave, while both Holly and Bruce are in their first years. The job of being an Indian Family member is not an easy one, it takes a lot of time and devotion, but it does have its rewards. The Indian Family attends all the home games and tries to make it to several of the away games each year. The job is largely one of promoting not only spirit, but the university as well. Thank you Holly, Wally and Bruce for helping the cheerleaders ignite spirit at the games, and especially for representing our university so well.

SGA ELECTIONS

HENDRIX UPSETS INCUMBENT MARSHALL

Incumbent Price Marshall decided to seek a second term as SGA president. Keith Hendrix, decided it was time for a change, as did Jesse George. So, there were three candidates for the position, Marshall, Hendrix and George.

In the regular election, the race was close, probably the closest in years, Marshall received 524 of the 1315 votes cast. Hendrix votes totaled 72 and George had 379. Since 524 of 1315 votes isn't a majority, a runoff election was held on March 21, between Marshall and Hendrix with Hendrix winning.

THE ARCADE . . . FUN AND GAMES

The Arcade in the Reng Center is a great place to go to "video-out". The arcade offers a wide variety of the latest in video games along with several pool tables. Whether it's between classes, after class or just anytime you have time, the arcade is a fantastic place to go if you are in to video.

UNITED STATES POST OFFICE STATE UNIVERSITY, AR 72467

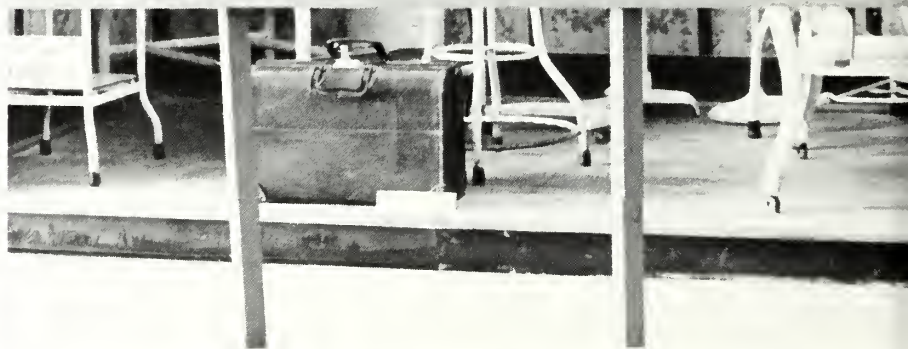

The ASU Post Office is the center of activity for most ASU students, faculty, and staff. A daily average of 3,500 letters, 1,100 magazines and newspapers, 150 packages come in to ASU and 3,200 letters, 750 magazines and newspapers, and 75 packages leave. The Post Office has 4,866 boxes and has been open since 1961.

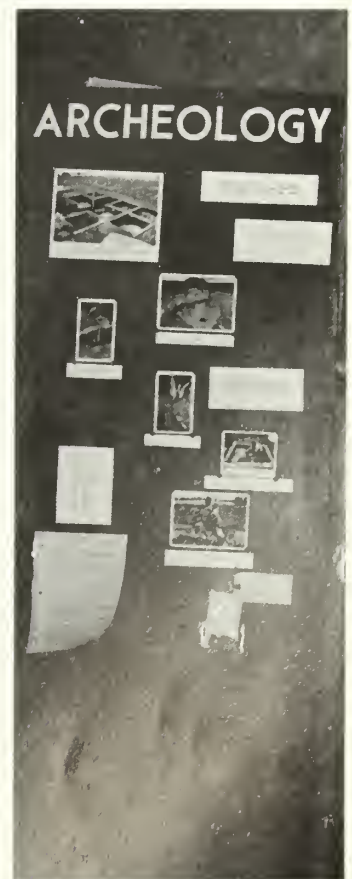

Postal Employees, left to right Gearld Woodruff, postmaster, Don Neal, clerk, Bill Nelson, clerk, and Margaret Johnson, clerk.

ASU MUSEUM

The ASU Museum, located in the Continuing Education Center, is a place of vast history artifacts. Indian history exhibits, military exhibits, prairie life exhibits, animal exhibits, and doll collections are among the exhibits. There are also exhibits of antique doctor's and dentist's offices, a glassware room, and different informational exhibits. ASU students are lucky to have such an excellent museum on campus.

TWIN TOWERS HOLDS TALENT REVIEW

Twin Towers Dorm Council sponsored a Talent Review in the Ballroom of the Carl R Reng Center in November. The Talent review gave ASU students that may not have any other chance to perform, a chance. During this review, it was decided that ASU has a lot of talented people that are eager to perform.

ADMINISTRATION SERVES THANKSGIVING DINNER

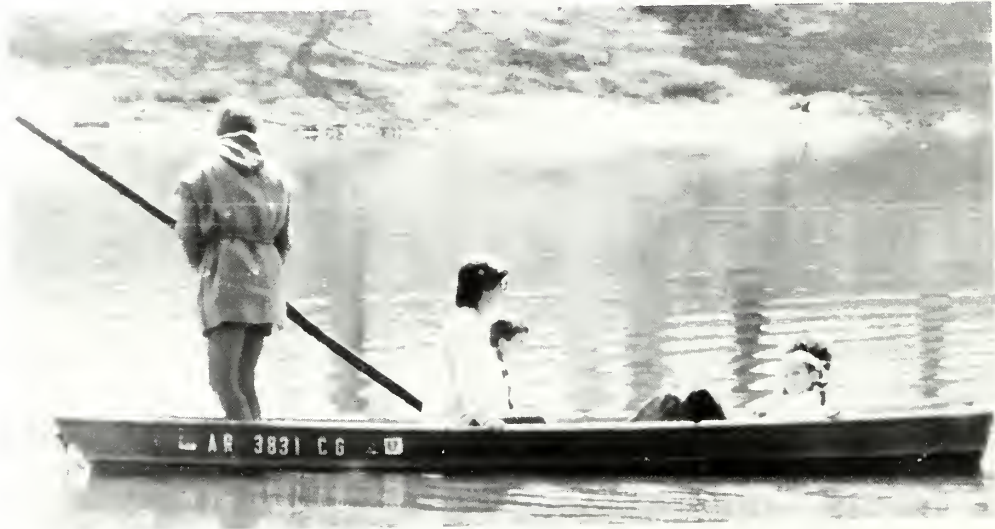

Students eating the Thanksgiving meal in the Woodlands Cafeteria found new cafeteria workers upon entering the cafeteria.

As an extra treat for Thanksgiving, the Administrative Staff of ASU served the Thanksgiving meal to students.

Wonderful surprises, such as this, are always in store for students who eat in the Woodlands.

RENAISSANCE FAIR

Between 600 and 700 people rolled back the hands of time to the Renaissance Period on a crisp Saturday to join in on the first Renaissance Fair to be held on the ASU campus. A wide range of contests were held that proved to be fun for both the participants and the spectators, many of which were dressed in attire that was representative of the Renaissance Period. Some of the contests included spitting beans at targets, sack races and an Archery contest. Dr. Dennis Rousey, coordinator of the event was well-pleased with the event. He said that the weather was perfect for the fair and he was extremely pleased that so many people showed up in period attire. Even though the first ASU Renaissance Fair was a success, Dr. Rousey is unsure whether or not the Renaissance Fair will become an annual tradition on our campus. He'll just have to wait and see.

CHRISTMAS TREE LIGHTING IN CARL R. RENG CENTER

SNOW

As the tiny white flakes slowly flutter to the ground on a bitterly cold winter day, many different thoughts fill the minds of the ASU community.

Some are filled with the excitement and joy of children on Christmas morning, as they gather to enjoy the fluffy "white stuff."

Others, such as physical plant employees, look at the new white blanket with grave disdain. They are the people who must work feverishly to clear the streets and sidewalks for safe travel.

And still others, though classes are not dismissed so they can enjoy it, try to smile and make the best of it.

SPRING FESTIVAL '83

Spring Festival comes at a time when we all need a break from the everyday way of things. This day of fun and games helps us make it the rest of the semester. The 1983 Spring Festival was the third annual festival held at ASU and was packed with fun, games and booths that offered everything from "egg a Pike" to a booth that sold painted plastic cups. Spring Festival '83 was a big success and everyone looks forward to this years Festival.

GAMES!!!

INTERNATIONAL

Your mind whirls with the confusion of color and excitement as you sit in a room with a collage of nationalities parading across the stage. Of course each country has it's own traditional dances, songs, music, and costumes. And to top it all off, you've just enjoyed not one but FOUR different Lebanese desserts made by an ASU student.

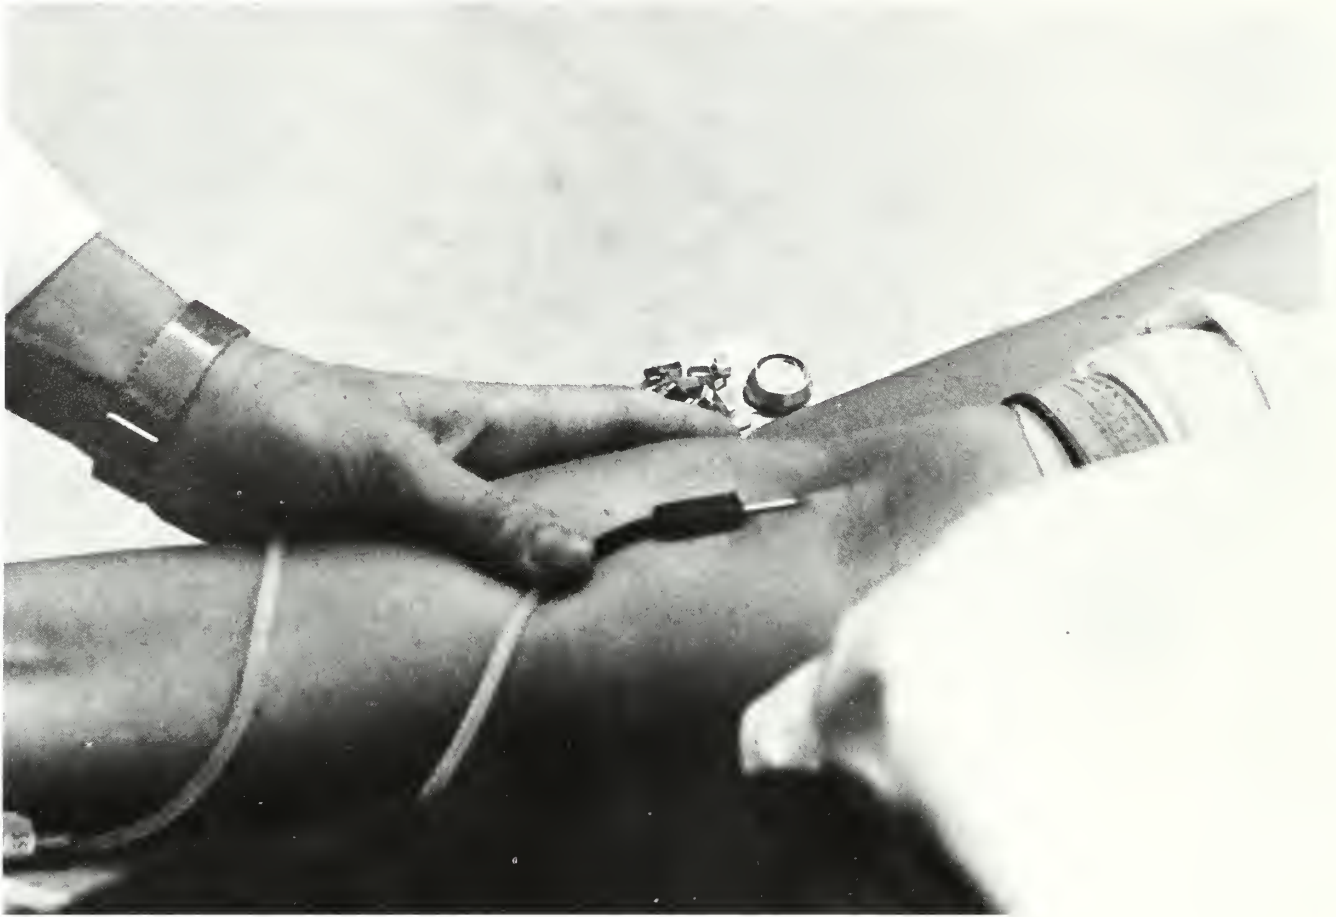

This is none other than the first annual ASU International Student Association's International Night. To say the event was a success would be a grave injustice. Hundreds packed the Reng Center to capacity and overflowing.

NIGHT AT ASU

RED CROSS BLOOD DRIVES

ASU students have donated 1,264 pints of blood to the American Red Cross this past year, according to Red Cross records.

Several blood drives are sponsored annually on campus by various student organizations. As the total for this past year shows, ASU students are very responsive to these drives.

The whole process of giving blood takes only a short time and is practically painless for most people. The 1,264 donors and the people who went to donate but were deferred are to be commended for their unselfishness.

The next time the bloodmobile comes around, offer to donate, who knows, the pint you donate may save a life!!

INTRAMURALS

"AWESOME"

A broad intramural activity program is offered for male and female students by the Department of Health, Physical Education, and Recreation.

Many students, both independent and Greeks, participate in a wide variety of intramural sports. Some participate for the physical conditioning while others join just for the fun of physical activities with their friends.

Whether it's for "the thrill of victory" or just for an afternoon of fun and play, students from all backgrounds enjoy participating in ASU's intramural program.

MISS ARKANSAS USA 1984

Michelle "Shelly" Boyd, a 21 year old Public Relations major at ASU was crowned Miss Arkansas USA in a pageant held Jan. 7 in Little Rock, from a field of 33 contestants.

Shelly will represent the state in the Miss USA Pageant, to be held in Lakeland, Florida on May 17. She has taken this semester off to prepare for the pageant, since she has to leave for Lakeland in late April.

Shelly has blonde hair and blue eyes, stands five feet, eight inches tall and weighs 120 lbs. Her measurements are 35-24-36. Former titles that Shelly has held include both Jr. Miss and Miss Leachville, Miss Buffalo Island and placed as second alternate in the Miss Arkansas USA pageant last year. Also, she was the winner of the photogenic award in last years pageant.

ASU is pleased to have Shelly represent the state in the Miss USA pageant, and wishes her the best of luck!

MICHELLE "SHELLY" BOYD

MISS ASU

Leslie Gray

Leslie Gray of Jonesboro was crowned Miss ASU 1984 at the annual Miss ASU pageant, sponsored by the men of Pi Kappa Alpha. Miss Gray also won the talent award. First alternate was Amy Jenkins and second alternate was Lorelei Butcher.

Ms. Jan McKee served as the Mistress of Ceremonies, and was, as always, a big treat in herself. Special Entertainment was provided by Pamie Adam, Miss ASU 1983 and John Dresbach. Tommy John Kennett served as the pageant director.

MISS BLACK ASU

LINDA NASH

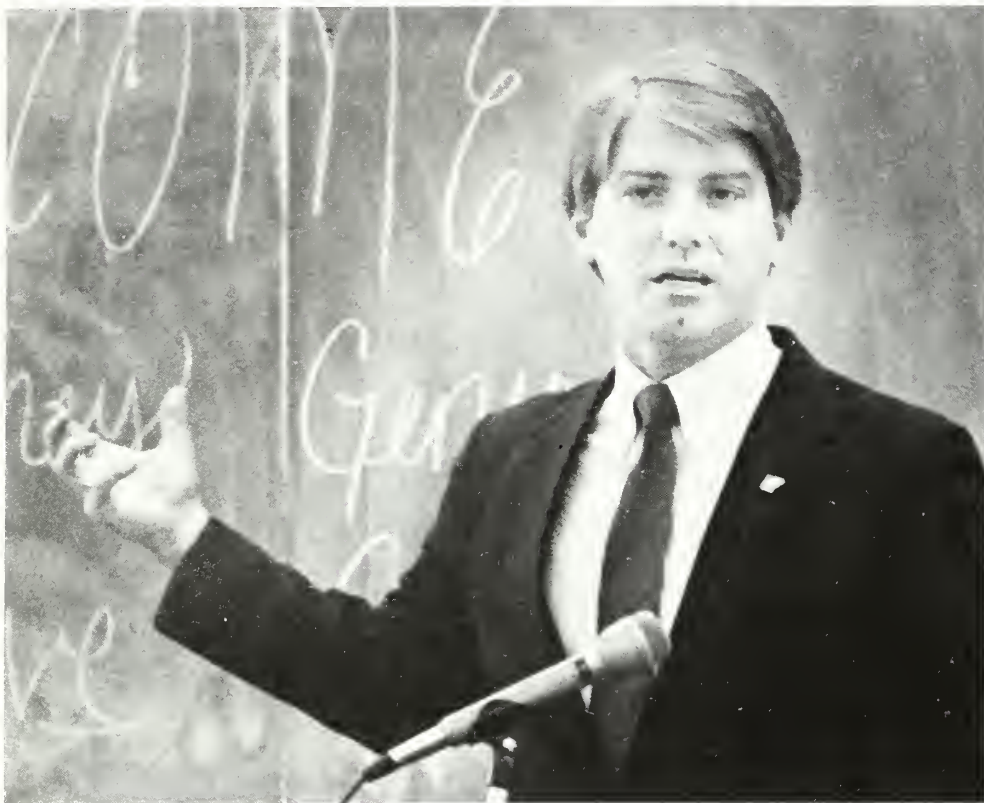

Linda Nash, of Birdsong, was crowned Miss Black ASU on February 11 in Wilson Auditorium. Miss Nash is a junior elementary and early childhood education major. The annual pageant is sponsored by the Black Students History Month.

SPECIAL GUESTS . . .

Arkansas Attorney General, Steve Clark visited the campus several times during the '83-'84 year. During his visits he spoke on topics that are of current interest to people in the area, such as the "Creation-Science" controversy.

Georgia State Senator Julian Bond was on campus in February to lecture. His lecture was a part of the ASU Lecture-Concert Series.

Also during the past year, Presidential candidate, Walter Mondale spoke in the Ballroom of the Carl R. Reng Center.

Vincent Price, the master of horror, made his way to ASU to delight and fright the ASU community. Currently, Price is best known for his speaking parts in Michael Jackson's hit song, "the Thriller". On the subject of music, Roberta Peters, a 33-year veteran of the Metropolitan Opera, was on campus to present, "An Evening In Vienna" as part of the Lecture-Concert Series. Miss Peters was accompanied by the Arkansas Symphony Orchestra. Another part of the Lecture-Concert Series was a piano concert by famous Piano Virtuoso, Gyorgy Sandor in the Fine Arts Recital Hall.

PRESIDENT RAY THORNTON RESIGNS EFFECTIVE FEB. 15

We at ASU with much regret say goodbye to President Ray Thornton. We are of course pleased to see our leader as the new head of the University of Arkansas System.

In his four years at ASU, Thornton built outward, not inward toward himself. He strove always to increase the school's academic distinction while administering its affairs with a light, but firm hand.

President Thornton did much for the growth of ASU during his years here. He established the U.S.-Saudi Arabian Customs Project, the Honors Program, and combined the college of Liberal Arts with the college of Science to form the College of Arts and Science; just to mention a few of his most outstanding accomplishments.

President Thornton was truly loved and admired by the faculty, staff, and students alike. The university will miss the strong leadership and warm sense of humor of President Thornton; but at the same time, we wish him every success with the University of Arkansas System.

PRESIDENT EUGENE SMITH

APPOINTED EIGHTH PRESIDENT OF ASU

It is with great excitement that we welcome our new president, Eugene Smith.

President Smith has high hopes for ASU. He plans to bring new meaning to the word leadership here at ASU. He feels establishing leadership is a top priority.

President Smith feels other important areas for concentration are: increasing student enrollment, research and the fields of technological study.

President Smith who has spent 25 years in service to the university in various capacities definitely feels at home here at ASU. "It's been a satisfying quarter of a century," Smith said, adding, "I can't think of any place I'd rather have been, or anything else I'd rather be doing."

We are pleased to welcome Eugene Smith as our new president. We are excited and anxious to experience the leadership and goals of our new president.

WE'RE SHINING BRIGHTER SOCIALY

We are Greek- and proud. Beyond the traditions and rituals lies a sense of belonging to one group or another. Brother to brother, Sister to sister, we are involved. In our involvement we improve ourselves and our school. Our spirit is indomitable and it shows. It is this period of our lives that we will remember most. Therefore we work to make these the most memorable of times. We are shining brighter actively, winningly, and socially.

WE'RE SHINING BRIGHTER HONORABLY

Special Awards . . . ASU students receive a lot of these. A-State students have received awards for just about everything from beauty and talent awards to academic and collegiate awards. ASU has many students who are "Shining Brighter . . . Honorably."

WHO'S WHO

Fifty-five Arkansas State University students were named to Who's Who Among Students in American Universities and Colleges for 1983-84.

They will be listed with more than 1200 students from institutions of higher education from the United States and several foreign nations. Selection was based on academic achievement, service to the community, leadership in extracurricular activities and future potential. Outstanding students have been honored in the annual directory since it was first published in 1934.

Those selected were honored at a Who's Who Recognition Night December 6 in the Reng Center Ballroom. The students and their parents were honored by the deans of their respective colleges and departments and presented their certificates.

WE'RE SHINING BRIGHTER TOGETHER

ORGANIZATIONS

There are various organizations on the Arkansas State University campus, ranging from professional to social, civic to academic, and intellectual. Each organization stands for something, whether it be helping the needy, intellectual challenges or advancing ones talents. There is at least one organization on campus suited to each person - it is just a matter of making yourself available and getting involved. Not only will you meet new friends, but depending on the organization you choose you will feel better about yourself and feel more intact with the people of ASU and what they stand for.

Organizations at ASU are not in competition with each other, because each organization is unique in its own way. Every organization strives for one common goal - improvement of self and/or a special cause. This is one aspect of the ASU campus that brings Greeks and independants, different races, religions, and backgrounds together for a united cause.

Kappa Tau Alpha

Kappa Tau Alpha, National Journalism honorary, was began in 1910 at the University of Missouri and it is dedicated to the recognition and promotion of scholarship in the field of journalism. This society is the Phi Beta Kappa of our field.

This year membership was offered to only eight of the more than 548 students majoring in communications. Nominations are made by the faculty on the basis of scholarship, character, and contribution to the field. At ASU minimum GPAs are 3.70 for juniors, 3.5 for seniors, and 3.7 for graduate students.

Of the more than 250-plus full-time journalism programs in the US, only about 70 have been granted KTA chapters and are allowed to offer memberships each year.

The goal is simply to recognize those who have done well in the program.

WE'RE SHINING BRIGHTER ATHLETICALLY

Athletics plays an important role at Arkansas State University as it does at any other college or university in the United States.

Both the men's and women's basketball teams started the season with winning records. Tomahawk volleyball ended its year at 22-12, and Indian football ended its season at 5-5-1 with a year end tie to Memphis State University.

ASU athletes were also the recipients of several honors, including all conference and all academic awards. Rifle team members won many individual awards.

Those outstanding athletes were backed throughout the year by many faithful fans and cheerleaders. Without support from these two groups, ASU athletics might not have had such a good year.

Plans Made For Convocation Center

This is an architect's drawing of ASU's proposed new multi-purpose convocation center, from the west. Construction is due to begin in spring 1984 and be completed in two years. Projected cost is \$10-12 million. It is to be located on the northeast corner of Aggie and Robinson roads on campus and will become "home" for ASU's men's and women's basketball teams, as well as many cultural, social and recreational activities for all of Northeast Arkansas.

The plans for the center, designed by Wittenberg, Delony and Davidson, Inc. of Little Rock, were approved by the Board of Trustees Nov. 4, 1983.

According to the design study, the total building area is 171,497 square-feet for the concourse and ground levels of the center.

The center will house athletic offices, dressing rooms, training and therapy space, meeting rooms and athletic events.

The seating capacity will vary, depending on the type of event to be held. There will be 10,012 seats for a central focus event, 9,356 for a convocation event, 9,248 in the general seating plan, 1,838 for theatrical performances, a 350 seat lecture hall and multiuse rooms having 450 seats, according to the plan.

The theatre setting has the stage on the ground floor with bleacher seating. Curtains are used to seclude it from

the rest of the center.

The general seating plan is for basketball and similar events. The lecture hall, located on the ground floor of the northwest corner, will be used for speakers and conferences, and departments such as continuing education, athletics and fine arts.

The Multiuse rooms at the east end of the structure will have folding walls. When the seats are moved back from the main floor there is room for additional basketball, tennis, and volleyball courts and a track.

No main entrance has been designated, and there will be several entrances at different levels and sides of the building.

There will be four lobbies, one at each corner of the building. Each lobby will have concessions, a courtesy booth, ticket office, and restrooms.

The center will have 904 hard-surface parking spaces, 412 on the north lot, 304 on the east side, 134 on the south lot and 56 on the west side. Parking for 611 cars is available on the football lot and 1500 in the overflow lot, which is grass space to be used when weather permits.

A decision on the exterior has not been made by the firm, but will probably be a light colored brick and concrete combination.

Tomahawk Tea

State Auditor Jimmie Lou Fisher was the honored guest at the second annual Tomahawk Tea in October. The tea was held at the home of President and Mrs. Ray Thornton and featured recipes selected by Fisher.

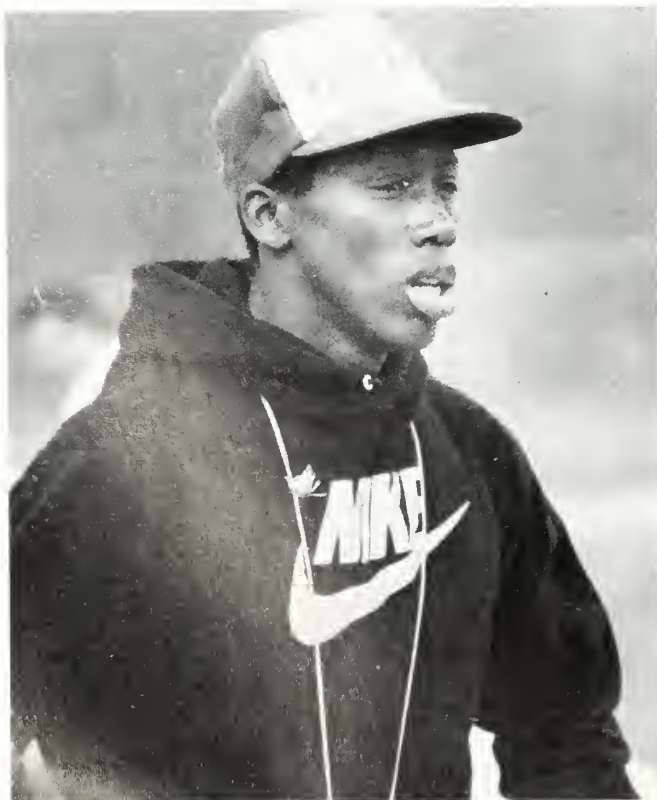

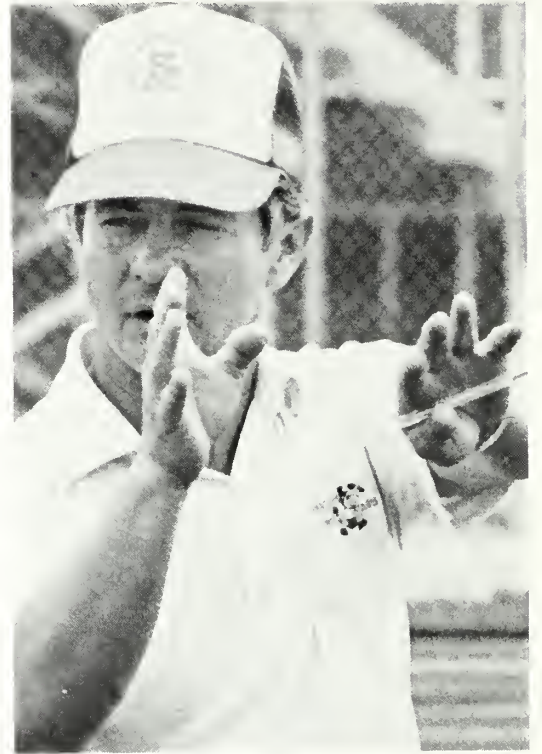

The Tomahawk Tea is an event sponsored by the Women's Athletic Department to raise funds for recruiting, since there is no recruiting budget for women athletes.

The tea consisted of a full course buffet-type meal of recipes submitted by Fisher, and was open to the public as well as students, faculty and administration.

Kay Woodiel, women's athletic director and chairman of the tea, was helped by her "support group," which consists of women across campus who have also helped in other endeavors with the women's athletic department.

Joyner Prepares

For Olympic Trials

Al Joyner is one of several Arkansas track athletes who are preparing for the Summer Olympic Track and Field Trials in Los Angeles June 16 through 24, six weeks before the Olympics actually begin.

Joyner is a world class triple jumper, ranked tenth last year by Track and Field News, and running under the name of the Bud Light Track Club.

In February, Joyner competed in the Dallas Times Herald Invitational Track meet, and finished second behind Ajayi Agbebakia of Nigeria, who is ranked third in the world. Joyner placed ahead of Mike Conley of the University of Arkansas and Keith Conners of Great Britain.

Five members of the ASU track team also have good chances to qualify for the trials. They are Steve Stubblefield of Kansas City, Kan., Scott Schaffer of Arvada, Colo., John Fewell of Columbia, Mo., Doug Shouse of Terre Haute, Ind. and Steve Banks of Marianna.

Stubblefield, Schaffer and Fewell will be shooting for a qualifying height of 17-10 in the pole vault. Shouse and Banks will have to reach the minimal height requirement of 7-4.

Indians Look Forward

The Arkansas State University athletic department announced adding several games to their schedule for next season.

Since Larry Lacewell's arrival, ASU football opponents have changed considerably, and future dates include games with Louisiana State University and Ole Miss. The 1985 schedule shows games against Mississippi State, University of Southern Mississippi, Ole Miss, Memphis State, Louisiana State, Southern Illinois, and a tough conference schedule. Playing these teams can bring money and recognition into the ASU athletic program.

The Southland conference is highly regarded among Division I AA football leagues, and the Tribe needs a good season. This year ASU finished in a 3-3 tie with Texas-Arlington and McNeese State in the SLC.

In early February, ASU football coaches signed ninety letters of intent.

Salukis Nip

Head Coach Larry Lacewell used a fake punt, a halfback pass, three reverses and a guard-around play, but the ASU Indians still could not out score the SIU Salukis. It was the Indians third straight loss.

The Indians took a 14-0 lead against the Salukis early in the game, but SIU quickly recovered and the scoring went back and forth the rest of the game.

From the 45-yard line, Lacewell called for a fake punt. Bill Bowers took the snap from the center Randy Roebuck and took the ball into the end zone for a 65-yard score.

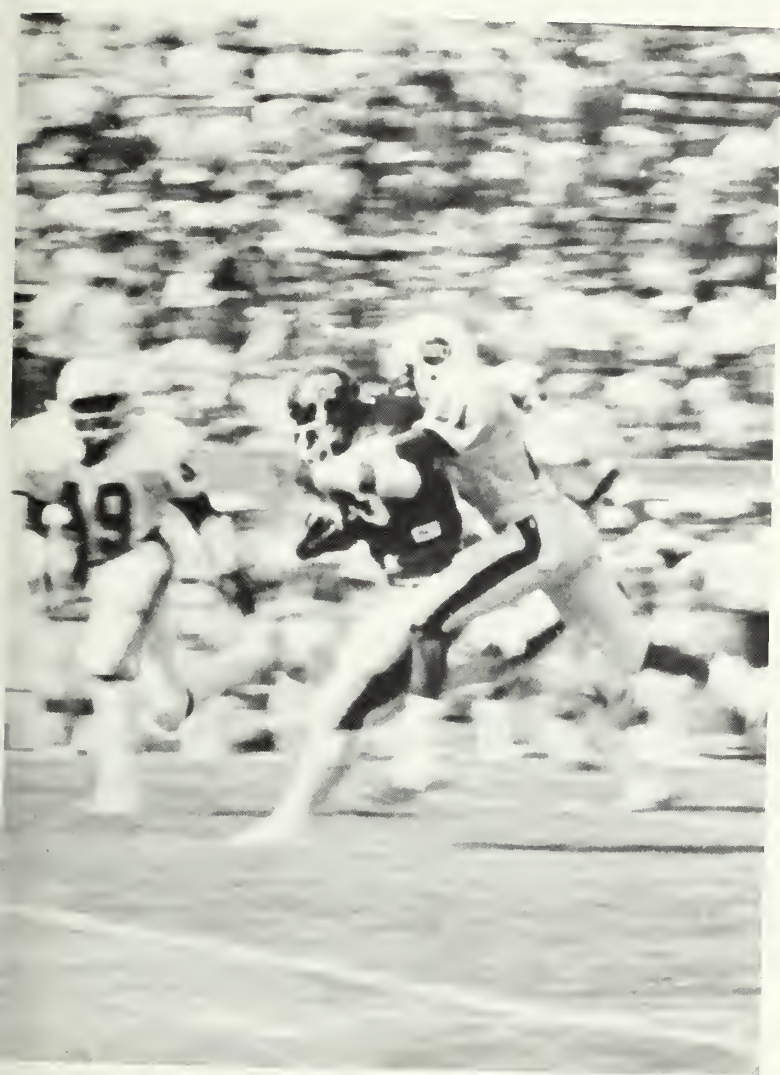

Berry King used the guard-around play early in the game. He picked up the ball from Ed Trout and went 18 yards for a first down.

Split end Judious Lewis showed his running ability on reverses of 19 and 28 yards and an 84-yard touchdown reception.

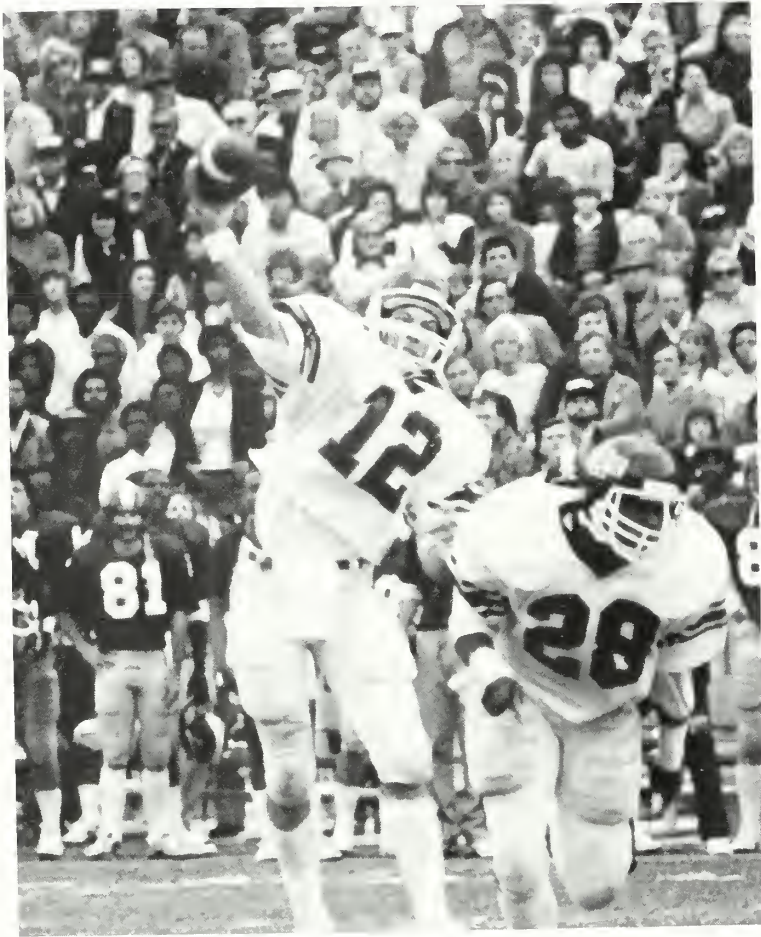

The Indians turned the ball over three times inside the 30-yard line, and the Salukis converted the mistakes into touchdowns twice.

Trailing 35-28 with a minute and a half left to play, halfback Kieth Weaver threw a long pass that just missed tight end Ray Brown. Brown juggled the ball, but failed to hold on to it with a defender all over him.

ASU Ends Season

With MSU Tie, 14-14

ASU rolled up 397 yards against a good Tiger defense, and ASU's defense held Memphis State to only seven first downs and 195 yards. A good part of that came on an 83-yard touchdown pass late in the first half. The other big play for the Tigers came with only four and a half minutes remaining in the game when defensive back Percy Nabors picked off a pass and returned it for a 77 yard touchdown to salvage a tie for Memphis State. The Indians got revenge from last year's defeat, and had 22 first downs. When Memphis State beat ASU last year, they ended the nation's longest losing streak.

VOLLEYBALL TEAM HAS GOOD REGULAR SEASON

The Arkansas State University women's volleyball team finished their season with a winning record of 22-12. The Tomahawks were also second in their zone and fifth in the Southland Conference tournament. Kay Woodiel in her tenth season molded the ASU women's athletic teams into a competitive NCAA Division I program. This was their second year in the NCAA. ASU moved into the newly formed women's division of the Southland Conference in the spring of 1982 and also became the first NCAA Division I volleyball program in Arkansas.

Indians Take Second In

In the Palm Valley tournament the Arkansas State baseball Indians took second place by beating the Pan American Broncos, 7-0. The Pan American team took first place, because they had a better winning percentage, 4-1 (.800), than ASU, 5-2 (.714).

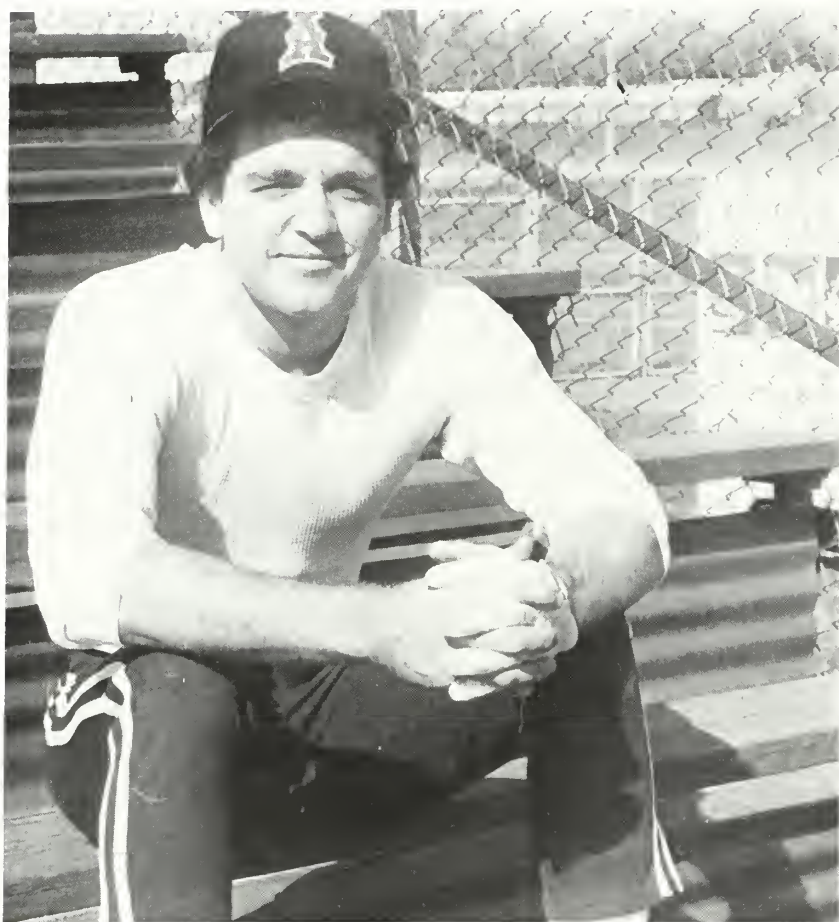

The Tribe finished the regular season at 16-18, and their conference season ended at 3-8. Double headers proved to be the Indian's strong suit as they won two in a row against Harding University and the University of Arkansas at Little Rock respectively.

Maloney Has Record Breaking Season

Tim Maloney and Jim Osment were heralded by Coach Rich Johnson as the team's most valuable players during the 1982-83 season.

Maloney, second baseman for the ASU Indians, still holds many records he set the previous year. These records include: most doubles (13), most triples (7), most runs scored (45), and most total bases (100). Single game standards include: most stolen bases (4), most total bases (11), and most home runs (2). Osment, first baseman for the Indians, was named to the All-Conference team along with Maloney.

The team received a first place trophy and a first place freshman team trophy. Ross Morgan won three individual awards, and Charles Lacey won an individual award.

The ASU team also finished first in the 1983 Annual Midwest Indoor Camp Perry Rifle Match at Kemper Military School and College in Missouri.

In the National Collegiate Athletic Association (NCAA) competition, the rifle team finished 36th in the nation. Two ASU shooters were nominated as All-American.

Maj. George Zahaczewsky, the rifle team coach, is planning another winning season this year.

These people are to be commended for their hard work and dedication to the 1984 yearbook. They are all volunteers, in other words, all they get out of it is this - a few nice words about them and their picture in the yearbook more than once. Jan drew up all the divider pages, while John, Mark and Cynthia were always available to help when called. To them, their jobs probably seemed simple, but to the Editorial staff, they were our greatest asset. Cynthia worked mainly with Ellen on the Sports section, Mark switched back and forth between Syrena and I and then there is John. John was a big help to me. When a deadline was drawing near, he was there to keep me motivated and in good spirits when it seemed that there was no way we would meet the deadline. He learned to do layouts and would help me with the campus life section when I got in a bind.

On behalf of the editorial staff, let me say that we appreciated you a lot more than it may have seemed and we are very grateful that you were involved in putting together the 1984 Indian.

These people on these 2 pages aren't actually staff members, but they helped the staff members at various times with various things during the year.

The artwork below is in place of pictures that didn't take. No, no one broke the camera, it was already messed up. BUT, believe it or not, these drawings really look a lot like the people they're representing.

PHOTOGRAPHERS

The Photography Staff included, Head photographer, John King, Bonnie Dillard, K. Todd Gaskins, Clarissa McClain and Diane Kertz. Greg Guinn, not pictured, served as a photographer during first semester. The photographers did a good job and were always willing to go shoot whatever the editorial staff needed. John King was a great asset to this book. He was actually concerned with the way the book was going to turn out. Also, he was practically on call 24 hours a day. Even when asked to shoot something that was happening in a short while, he was cooperative and willing to do it, without any complaints. This was a great group of photographers and the editorial staff appreciates their efforts.

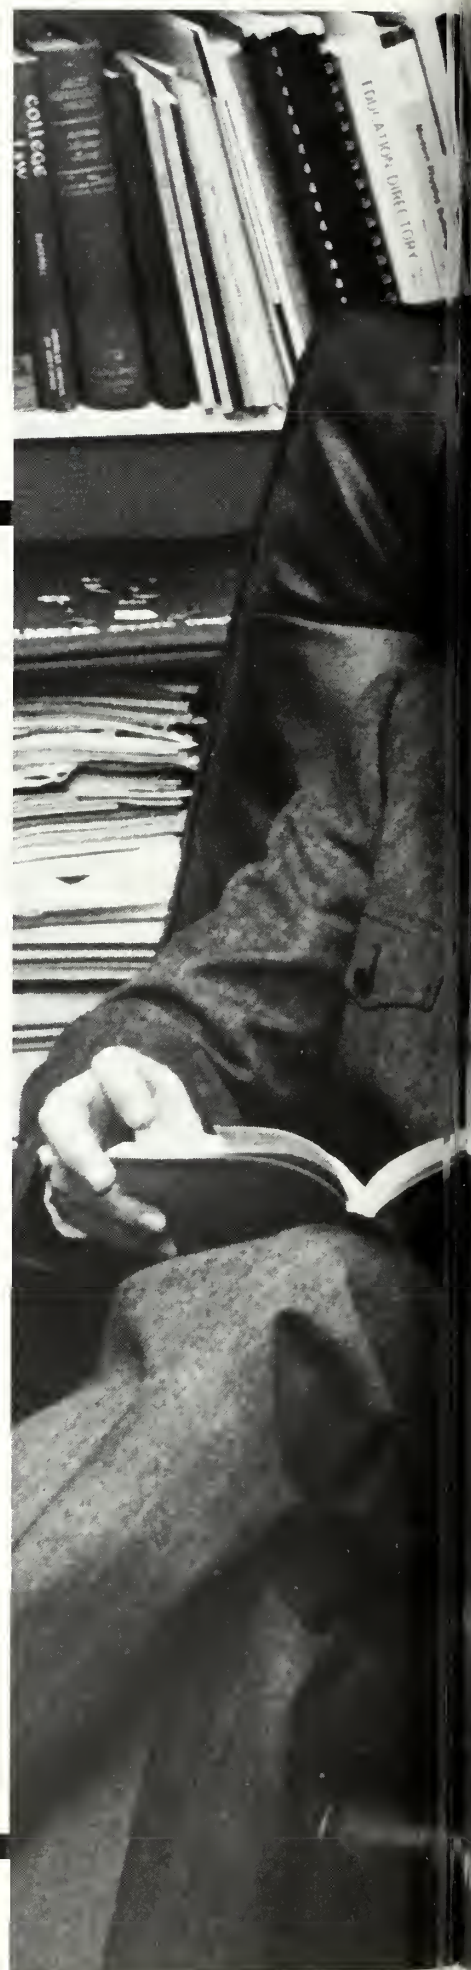

WE'RE SHINING BRIGHTER EFFECTIVELY

ASU has an outstanding Administrative staff, faculty and non-administrative staff that all work diligently to promote and better the services offered here. Many of these people work hard, behind the scenes, and are never noticed, not to mention thanked. It is these people that are the backbone of our great University system.

1984 was a year of change. President Ray Thornton left ASU to become president at "the other university in Arkansas" and a man who has been at ASU since 1958, Dr. Eugene Smith was appointed president by the Board of Trustees just two days after President Thornton's decision was announced. Dr. Smith is a very able man to serve as the head administrator of our university. Some say his dedication to this institution is beyond words. Dr. Smith is but one example of the many "Heads of State" that are dedicated to this University and its students and alumni.

ASU's "Heads of State" are Shining Brighter ... Effectively.

GOVERNOR BILL CLINTON

At right, Governor Clinton and wife Hillary are shown presenting the model of the new Convocation Center to be constructed on the ASU campus. The presentation was made at an Indian basketball game held in Indian field-house. Governor Clinton is to be commended for his support of ASU and for his help in obtaining the Convocation Center for ASU.

PROFILES

The following section contains "profiles" of various people around campus that deserve a bit of recognition. These people were selected solely by the editor and they are; Tom Manning, Price Marshall, Tommy John Kennett, David Blevins, Linda Allison, Tim Langford, and Jay Hansen.

TOM MANNING

When students pick up their 1984 "Indian," they won't realize all the work that went into it. This yearbook could never have been accomplished without the efforts of many people.

One such person who instantly comes to mind is Tom Manning, the "Indian" advisor for the past 22 years. Tom graduated from ASU in 1958 with a degree in journalism. While at ASU, he took every journalism and radio course offered. After graduation, he worked for several newspapers including the Herald of Hayti, Mo. and the Walnut Ridge Times Dispatch. Tom finally returned to ASU in 1962.

Tom's official title is director of news and information services. In the beginning of his career here, he was also director of sports information. He served in both positions for eight years.

Various co-workers and colleagues, when asked about Tom, speak of him with only the highest respect. Many believe it was his sense of professionalism that raised his department, as well as the yearbook, to their current levels of excellence. He has always worked closely with the journalism department, especially the Herald, and is always willing to lend a helping hand for the well-being of ASU.

To this year's "Indian" staff, Tom has been a true inspiration. He is never critical, but somehow always manages to get the best from all of us willingly. Tom has been here from beginning to end, from the fun and excitement to the confusion and short-tempered-ness as the deadlines approach too rapidly. Tom has a fantastic sense of humor and good nature which has lifted us all. We would like to simply say, "Thank you, Tom, for without you the 1984 "Indian" might have turned out like WARREN."

PRICE MARSHALL

Price has served as the President of the Student Government Assoc. during the last two semesters and is currently seeking a second term. Price has been a very strong SGA President. He will definitely be remembered for his proposed activity fee. This fee would be based on the number of hours a student takes and would be used to bring more student activities to campus. The bill was voted on and failed, but Price still hasn't given up. He has organized a committee to study the reason for the failure of the activity fee bill and to figure out what can be done to change the fee to make it more acceptable to the students.

Price is very active on campus and stays up to date and aware of what is going on.

TOMMY JOHN KENNETT

Tommy John Kennett is the captain of the cheerleading squad. Tommy John has been a member of the squad for the past three years. This past summer, Tommy John taught NCA Cheerleading Clinics. He spent one week at Birmingham Southern Univ., another week at Livingston Univ., in Livingston, Ala. Then he spent one week each at Mercer Univ. and Ball State Univ. For two weeks, he held clinics at Henderson State in Arkadelphia. The final clinic was held at West Georgia Univ.

Tommy John is also a member of Pi Kappa Alpha fraternity. He has served as the Pageant Director of the Miss ASU pageant for the past three years. Also, he is this years Pi Kappa Alpha Dreamgirl Chairman.

Tommy John always stays busy, but he is always willing to help out a friend that is in need, that is if the friend can catch him.

DAVID BLEVINS

David Blevins is a twenty-one year old junior, majoring in history at Arkansas State University. He is a member of Sigma Phi Epsilon and most importantly, he is a member of the Jonesboro City Council.

David is the youngest person ever to serve on the City Council in Jonesboro. He is not at all like your typical politician, he is quiet, very honest looking and he still lives at home with his parents.

David decided to run for the position of alderman for ward 3, position 1 the day before the filing deadline when it came to his attention that there was not a candidate for his ward. Then the next evening, as he watched the news on television, he learned that he had no opposition and would be the next ward 3, position 1 alderman.

Although becoming an alderman has changed the way some people act toward him, David hasn't changed. Some people now refer to him as Mr. Alderman or as Mr. Blevins instead of David, but this is the only real change that has occurred since he became an alderman. The other council members treat him as an equal and with respect, as they do each other.

Alderman Blevins is unsure of his future in politics, but he feels that if he remains here in Jonesboro, he will remain active in politics. Jonesboro and ASU could surely benefit from his remaining in the political scene.

LINDA ALLISON

Linda Allison is a 5' 11" senior forward for the ASU Tomahawks basketball team. As a matter of fact, she is one of the best players on the team and she is married and has a son.

Linda is married to former ASU football player, Tim Allison and they have one son, Joshua. Linda discovered she was expecting Joshua at the end of the '81-'82 season, after finishing as the Tomahawks leading scorer.

Allison took a season off on maternity leave and then it was back to the court for the Tomahawks. Some worried that her play might be affected by the year long layoff, but it hasn't been. Linda is in as good of shape now as ever. She has led the Tomahawks so far this year in scoring and has brought some experience and leadership qualities to the Tomahawk roster.

As if being a wife, mother, athlete and student isn't enough, Linda finds time to maintain a 3.75 grade point average while majoring in business management. Linda has to make some sacrifices as far as her family is concerned, but that was just for a year, now she just has school to contend with.

Linda has found that she can handle a wide variety of responsibilities, all at once. This will surely help her make a success of her career in business and an excellent wife and mother.

TIM LANGFORD

Tim Langford of Searcy is one of the best quarterbacks to ever play football at Arkansas State University. He passed up graduation to complete his last year of eligibility and in doing so placed himself among the ASU greats. In 1983, his final year, Langford set a school record for total offensive yardage in a season by running and passing for 1,729 yards. He was also named 2nd-team All-SLC in 1983. For his career, Langford is 3rd on the all-time total offense list with 3,745 yards, 3rd on the all-time passing list with 2,316 yards and the 9th all-time scorer in ASU history with 108 points. His career pass completion percentage is a very good .492 - 187 of 380.

In addition to his great success on the field, Langford has excelled in the classroom being named Academic All-SLC four years. In his five years at ASU, Tim has made all A's, except for B's in Zoology and Health & Safety. Langford is also very active socially as a member of the TKE fraternity and three scholastic societies. Langford plans to enroll in medical school at Little Rock in August of 1984 where he has already been accepted. For a hobby Langford enjoys reading; especially history and current events.

JAY HANSEN

Jay Hansen of Cherokee Village, a senior guard for the ASU basketball team, is known as "The Nation's Premier Little Man." Hansen was the top returning point-guard marksman in the nation with a .570 accuracy record on field goals in 1982-83. That percentage was the best ever for a guard in the 20-year history of the Southland Conference. He also became the career assist leader for ASU in 1983-84.

Hansen, a business administration major, is a nominee for the 16th Annual Frances Pomeroy Naismith Basketball Hall of Fame Award. This award is given each year to the nation's most outstanding senior collegiate basketball player under six feet tall. Hansen's field goal percentage led the Tribe to a school record, .531 percentage. He also led ASU to its best record (17-12) in over a decade. In the Southland Conference Post-Season Tournament of 1983, Hansen set a record by hitting 10 out of 10 free throws against Texas Arlington.

Hansen enjoys fishing and bow-hunting when he's not leading the Tribe in almost every statistical category.

CAN WE TALK?

WELL, IT'S BEEN REAL AND IT'S BEEN FUN. YOU KNOW, IT'S EVEN BEEN REAL FUN. I HAVE REALLY ENJOYED DOING THE 1984 INDIAN AND I HOPE THAT EVERYONE THAT SEES IT WILL ENJOY IT. A LOT OF HARD WORK AND DEDICATION HAS GONE INTO THIS BOOK. WE TRIED TO MAKE CHANGES THAT WOULD MAKE THE BOOK BETTER FOR YOU THE STUDENT AND FACULTY MEMBER. THERE ARE STILL MORE CHANGES THAT COULD BE MADE, BUT AT LEAST WE GOT THE BALL ROLLING.

I WANT TO THANK MY EDITORIAL STAFF, STEPHEN, SYRENA AND ELLEN FOR ALL THEIR HELP. YOU ALL DID A SUPER JOB AND I COULDN'T HAVE ASKED FOR A BETTER STAFF. TO OUR VOLUNTEER STAFF MEMBERS, JOHN, CYNTHIA, MARK AND JAN, LET ME SAY THAT THE WORK YOU DID WAS GREATLY APPRECIATED. YOUR TASKS MAY HAVE SEEMED SMALL TO YOU, BUT THEY WERE VERY VALUABLE TO US. THEN, THERE IS NO WAY THAT I COULD FORGET THOSE GREAT PEOPLE IN THE PUBLIC RELATIONS OFFICE, TOM MANNING, WENDY TIBBS, DIANNE BUFFORD, CINDY LIVINGSTON, BARBARA TURPIN, RON LOONEY, ROB DEGOSTIN AND RUTH HAWKINS. I OWE ALL OF YOU A LOT OF THANKS FOR NOT LOSING YOUR TEMPER WITH ME AND FOR BEING SO WILLING TO DROP YOUR OWN DUTIES TO GIVE ME AN ANSWER TO WHAT WERE USUALLY STUPID QUESTIONS. ALSO, THANKS FOR ALL THE TIMES YOU EASED MY STRESS BY GIVING ME A GOOD LAUGH. I LOVE YOU ALL AND WILL MISS NOT SEEING YOU EVERYDAY NEXT YEAR. I WANT TO EXPRESS A VERY SINCERE THANKS TO MY PARENTS FOR THEIR PATIENCE WITH ME WHILE I WAS WORKING ON THE YEARBOOK. THERE WERE A LOT OF TIMES WHEN I MISSED WORK AT THE FAMILY BUSINESS TO WORK ON THE YEARBOOK, BUT MY PARENTS NEVER COMPLAINED. THANKS MOM AND DAD, I LOVE YOU BOTH VERY MUCH. THE LAST TWO PEOPLE I WANT TO THANK ARE TWO SPECIAL FRIENDS. THE FIRST IS SUSAN CUNNINGHAM, THANKS SUSAN FOR LISTENING TO ALL MY COMPLAINTS AND FOR SHARING MY JOY WITH ME WHEN SOMETHING WENT RIGHT. AND THEN THERE IS MY BEST FRIEND, JOHN FIELD, THANKS FOR PUTTING UP WITH ME AND FOR ALL YOUR HELP. YOU HAVE BEEN A TREMENDOUS ASSET TO ME AND I APPRECIATE IT MORE THAN YOU WILL EVER KNOW.

ALSO THANKS TO OUR OUTSTANDING PHOTOGRAPHY STAFF AND ESPECIALLY TO JOHN KING, HEAD PHOTOGRAPHER. ON BEHALF OF ELLEN, I WANT TO THANK RON, GINA AND JERRY IN THE SID OFFICE FOR ALL THEIR VALUABLE INFORMATION.

FINALLY, THANK YOU, THE READER, FOR TAKING TIME TO LOOK AT THE 1984 INDIAN. I HOPE YOU ENJOYED IT AND ARE CONVINCED THAT ASU IS "SHINING BRIGHTER" IN MANY WAYS.

AS I CLOSE, I'D LIKE TO SAY A WORD OR TWO TO ALL THE "COMPULSIVE COMPLAINERS" ON THE ASU CAMPUS. TO ALL YOU PEOPLE WHO ARE "NEVER" SATISFIED WITH ANYTHING ON THIS CAMPUS—"OH, GROW UP!" YOU DON'T KNOW A GOOD THING WHEN YOU'VE GOT IT!!

Barry
